Myths & Legends All over the world there are extraordinary stories—stories that once upon a time were believed to be true but are today limited to the sphere of ancient myths and legends. The question remains, are those myths and legends stories something that existed in the minds of our ancestors, or were they based on true events?

Myths & Legends | Ancient Origins

Although folktales are a common attribute of every civilization, and such stories were being told by cultures around the world during the medieval period, the phrase “medieval folklore” in the west almost always refers to European tales. The word “folklore” was coined in 1846 CE by the British writer William John Thoms to replace the more awkward phrase “popular antiquities” which designated the stories, fables, proverbs, ballads, and legends of the common people.
