Many DVD players allow users to play music, and showcase other content, such as home videos and photos from burned discs. For frequent travelers, portable DVD players allow for viewing in any setting, without the need for a wireless connection. Just pop in a disc and go.

5 Best DVD Players - Sept. 2020 - BestReviews

Great DVD player with remote control, all the cables you require plus the HDMI cable. The DVD player is compact and great all-around device. The multi regional player function gives it extra special as you can watch DVD from abroad. I think also great to take it on staycation as its quite small to go into your car. Ideal gift for your children.
