Holistic Scoring in More Detail As previously noted, holistic scoring gives students a single, overall assessment score for the paper as a whole. Although the scoring rubric for holistic scoring will lay out specific criteria just as the rubric for analytic scoring does, readers do not assign a score for each criterion in holistic scoring.

## **Holistic Scoring in More Detail**

The Writing Assessment Program uses a holistic scoring method to score all exams and portfolios. Elliot, Plata, & Zelhart offer the following definition of holistic assessment: To view a sample of writing holistically is to attempt to view the writing as more than the mere sum of its elementary parts.

Mechanical reasoning tests measure your knowledge of mechanical and physical concepts. They do not measure your underlying mechanical aptitude in the same way that abstract reasoning questions measure your underlying intellectual ability.. For example, you could sit an abstract reasoning test without having seen one before and still get a reasonable score. . The same is not true of mechanical ...
