6 Common Obstacles in Couples Therapy - Psych Central

A safe and supportive community, along with therapy, helps stabilize couples at their point of need. In attempting to heal from infidelity, it's not just about taking action: it's about taking the right action. I hope you'll consider getting help in one of the earlier mediums I've discussed in an attempt to get your life back.

Therapist Mistakes When Dealing with Infidelity | Affair ...

It's very important to inform couples of your record keeping practices from the start. In my experience, about half of therapists keep one "couples record" because they view the couple as a whole client. The other half of therapists keep separate records for each half of the couple, essentially creating two clients.

Couples Counseling Notes: 4 Steps to Simplifying the ...

The therapist's goal is to teach a method of communicating that allows couples to resolve their own issues during and after therapy. The goal is not to resolve issues. If a therapist attempts to resolve an issue, one or both partners will usually become defensive.

Success With Couples Therapy — A Step-by-Step Approach

Heartbreaking that in this entire article not once is the elephant in the room mentioned: these couple therapists are not utilizing a theoretical model for working with couples that works. Emotionally Focused Therapy (EFT), pioneered by researcher Sue Johnson PhD has a 75-80% success rate with couples!

When Therapy Is Going Nowhere - Psychotherapy Networker

During the course of my work with a couple or a family, I may see a smaller part of the treatment unit (e.g., an individual or two siblings) for one or more sessions. These sessions should be seen by you as a part of the work that I am doing with the family or the couple, unless otherwise indicated.

"No Secrets" Policy When Treating a Couple or Family

Couple's therapy can help couples by utilizing the solutions above and more. According to Psychology Today, for couples therapy to work, both individuals must be committed to improving their relationship while looking inwardly at their own individual strengths and weaknesses.
