To start, keep your knees a little more than hip-distance apart and squat as far down as you can. If you're a beginner and you can't get your feet flat on the floor, prop up your heels on a ...

What's the difference between movement and exercise? — Quartz

As you seek to provide more than enough for kids and families in foster care where you live, your most important task is to pray. Many states have launched a 15-minute weekly prayer call already and many others are very close to being able to do so, but need your help to get started!

Foster Movement - Christian Alliance for Orphans

That's how the More Than My Height movement was born. "Given the incredible feedback we received, we felt like this was something that needed to become its own thing," says Allie. "So many tall women struggle to feel feminine and we felt that starting a movement that helped them feel supported could help them overcome that feeling."
