Narrative Means to Therapeutic Ends. Michael White, David Epston. Use of letter-writing in family therapy. White and Epston base their therapy on the assumption that people experience problems when the stories of their lives, as they or others have invented them, do not sufficiently represent their lived experience.

Narrative Means to Therapeutic Ends | Michael White, David ...

Narrative Means to Therapeutic Ends. White and Epston base their therapy on the assumption that people experience problems when the stories of their lives, as they or others have invented them, do not sufficiently represent their lived experience. Therapy then becomes a process of storying or restoring the lives and experiences of these people. In this way narrative comes to play a central role in therapy.
