Rheem | US Air Conditioning & Heating

The RA14 is our 14 SEER air conditioner and is part of the Rheem air conditioner product line that extends from 13 to 20 SEER. This highly featured and reliable air conditioner is designed for years of reliable, efficient operation when matched with Rheem indoor aluminum evaporator coils and furnaces or air handler units with aluminum evaporators.

Rheem Classic Series Air Conditioners

Rheem air conditioners are dependable units. However, when there is a power outage you might find that the air conditioner does not start right away once the power comes back. The Rheem has several safety mechanisms, one of which is a pressure switch. When the Freon pressure gets too high the switch shuts off the compressor.
