In sociology, social action, also known as Weberian social action, is an act which takes into account the actions and reactions of individuals (or 'agents'). According to Max Weber, "an Action is 'social' if the acting individual takes account of the behavior of others and is thereby oriented in its course".

Social actions - Wikipedia

In sociology, action theory is the theory of social action presented by the American theorist Talcott Parsons. Parsons established action theory to integrate the study of social order with the structural and voluntaristic aspects of macro and micro factors.
