My KDL 70R550A has 5 bling lights. One repair shop said bring it in and we will check it but they are almost 1.5 hrs away. A local shop said it's the LCD light panel and you can not even get a replacement. I think he is correct. He has been doing this type of work for along time. I am very disappointed in Sony... a \$2600 TV dead in just 5 years!
