Taking Our Country Back The

Taking Our Country Back presents the previously untold history of the uptake of new media in Democratic electoral campaigning over the last decade. Drawing on interviews with more than sixty political staffers, fieldwork during the 2008 primaries and general election, and archival research, Daniel Kreiss shows how a group of young, technically-skilled Internet staffers came together on the Howard Dean campaign and created a series of innovations in organization, tools, and practice that have ...

The Tea Party has taken over the Republican Party. Or, more precisely, the Tea Party is trying to take the country back from liberals, freeloaders on welfare, immigrants, minorities, and, of course, President Obama. Although the number of people identifying as Tea Party supporters has declined from 30 percent in 2010 to 17 percent today, three of the major Republican front runners—Donald Trump, Ted Cruz, and Marco Rubio—embody Tea Party beliefs and are each trying to take our country ...

Barry Goldwater waved the "taking our country back" banner throughout his 1964 campaign. Despite his resounding defeat, he did accomplish an important milestone: he yanked five Southern states away from the Democrats. Richard Nixon expanded "taking our country back" by rallying what he called the "silent majority."

What Does "Take Our Country Back" Mean?

At some point, normal Americans are going to have to take back the conversation. People genuinely interested in coming together to solve problems are needed today more than ever. The fabric of our country is nearly torn, and if people of good faith don't start coming together now, the people on the extreme edges will succeed in finishing us off.
