QCA keeps the national curriculum for England under review and leads on its development. We set the standards for children's learning from the age of 3 to 14. From 3 to 5, children experience the foundation stage. From 5 to 14 they move through primary school and into the first years of secondary education.

QCA | Ages 3-14

This test mirrors the Year 5 2003 optional test from the QCA to give an alternative view on children's comprehension and retrieval of information. There is a non-fiction and fiction element to the test as well as answers and threshold levels. The questions are on separate sheets that clip together to make the booklet.

Reporting results for the year 7 progress tests There is no statutory requirement for schools to report year 7 progress test results. However, QCA would advise that it is good practice to give feedback to parents on pupils' performance in the tests and relate it to their overall performance during year 7 in English and mathematics.
